## ANNUAL SCHOLARSHIP DAY

Providing educational opportunities to young women since 1971

CELEBRATING 53 YEARS

[wwga.org](http://wwga.org)

## About the Foundation

The Women's Western Golf Foundation is an outgrowth of the Women's Western Golf Association. Its primary source of income are contributions from golf clubs and groups participating in Foundation Scholarship Days, WWGA Directors, golf associations, friends of the WWGA and benefactors.

Each year, up to 20 scholarships are awarded to deserving young women, and there are currently 75 WWGF scholarship recipients. The scholarship provides \$5,000 grants for financial assistance and are renewable up to four years for a total of \$20,000, as long as academic and financial requirements are met.

The WWGF also partners with the Western Golf Association's Evans Scholars Foundation to annually award one WWGF scholarship to a young woman who is an Evans Scholar. Recipients must meet the requirements of both programs.

The Foundation is a tax-exempt charitable trust and all contributions are tax-deductible; all Officers, Executive Committee and Trustees are volunteers. You can be a positive force in the growth of young women in education and golf through your financial support of the WWGF.

WWGF Chairman, Cathy Chandler, and Vice Chairman, Betty Roska, with WWGF Scholar Cybil Stillson.

## How you can support the Foundation

As college costs continue to soar, the need for financial assistance is greater than ever. The Foundation earnestly solicits individual and corporate contributions and thanks all WWGF supporters. Through your tax-deductible donation, you can be a positive force in the growth of young women in education and golf.

### Host a WWGF Scholarship Day *Tee up a promising future for deserving young women*

To benefit the many outstanding young women who receive our scholarships, clubs have the opportunity to choose a day, at their discretion, to be a designated WWGF Scholarship Day.

There are various ways clubs can conduct a Scholarship Day to benefit young women who could receive WWGF scholarships:

- Club members can designate and participate in a one-day, 18-hole / 9-hole low net competition
- Make a contribution through your club to the Women's Western Golf Foundation
- Designate one of your WWGF Low Net Pin Days to support the scholarship effort
- Individual donations
- Make a donation for each birdie or par during an event

**Let us know about your event's success!**

**For more information on how to conduct a Scholarship Day, contact Cathy Chandler at (312) 643-5557 or [chandlercp@aol.com](mailto:chandlercp@aol.com).**
